

Spring Fever

Intro : “Spring fever Love is in the air Spring is everywhere”

1. A little bird, (oh yeah) he told me so, (uh huh!)
he said come on, (come on) get on the go (that's right)
Open your eyes (ok) the sky is full of butterflies-----
The blossoms on the trees Stir up the honey bees
Spring makes my fever rise (Spring fever)

Chorus!

Spring fever, Spring is here at last
Spring fever, my heart's beating fast
There is no doubt now, love is in the air
Get up get out Spring is everywhere

2. Well if you feel (Oh yeah) The wanderlust (Uh huh)
Just grab a car (come one) or hop a bus (with us!)
In every town (around) there is excitement to be found (Aaah----)
So much is happening Don't miss the joy of spring
The world's in love just look around (Yeah----)

CHORUS DOUBLE

Spring fever, Comes to everyone
Spring fever , this time for fun
There is no doubt now love is in the air
Get up get out Spring is everywhere
Spring fever, This spring fever time
Spring fever , Watch that fever climb
There is no doubt now, love is in the air
Get up get out Spring is everywhere
UP, OUT! Spring is everywhere-----
